This is to certify that M/s. Bhavesh Engineering Pvt.Ltd., Mumbai, India had supplied SRB(REVOLVO), UK make split bearing with housing for cooler application to us. We purchased for the existing cooper make bearing No. 02 BC 200 GR MM & 02 BC 200 EX MM with SRB bearing No MSM 200 BRH & MSM 200 BXH. We found that technically and dimensionally SRB bearing is 100% interchangeable with cooper bearing

We hope Brass cage life of SRB bearing is very much satisfactory compare to Aluminium cage bearing.
